

July 3rd and 4th on the Esplanade: Text-A-Tip

The Massachusetts State Police again have established a dedicated Text-A-Tip line for this year's July 3 and 4 celebration on the Esplanade in Boston.

Anyone at the event or in the area of the Esplanade who sees anyone or anything suspicious or out-of-the ordinary, or anything that just doesn't look right, is urged to contact police by either calling 911 or texting a tip.

Additionally, anyone who has any information about any suspicious activity anywhere that may be connected to the event is likewise urged to call 911 or use the Text-A-Tip line.

The Text-A-Tip numeric address for this year's July 3 and 4 event is 67283. Texters should then enter the characters B4 as the first two characters of their text.

If you see something, say something.

Remember ... Text B4 and your tip to 67283
